

# RECYCLE FLORIDA TODAY

FOR A SUSTAINABLE TOMORROW

## Recycle Florida Today Environmental Sustainability Award (R.F.T.E.S) - Rubric

This rubric should be used in scoring Nominees for the Recycle Florida Today Environmental Sustainability Award. *The Recycle Florida Today Environmental Sustainability Award* is established to recognize individuals in the art of recycling whose contributions have benefited the field. The Award is intended to honor the professional achievements of those who have advanced the cause of art recycling in various ways. The emphasis of the Award is on aggregate contribution, not a single or isolated episode.

To recognize individuals in the field of art recycling who have made a sustained and significant contribution to the field through their work. It is not restricted with respect to the level of work or the type of work that individuals may undertake during the course of their professional lives but seeks to recognize individuals who have made notable contributions to the field recycling through a lifetime of work.

### Recycle Florida Today Environmental Sustainability Award Rubric

**Score Summary Box:** After completing the scoring in each section below, summarize scores in this box;
