

WHO WE ARE!

Recycle Florida Today, Inc. (RFT) is Florida's state recycling organization (SRO), with the objective to promote recycling and waste reduction in the state of Florida. As a non-profit professional organization RFT provides numerous opportunities for education and networking throughout the year. RFT represents hundreds of recycling and environmental professionals throughout the state from the public, private and non-profit sectors. Our organization strives to keep its members on the cutting edge of recycling information and technology through conferences, workshops and on-site educational tours and legislation.

RFT Board: Recycle Florida Today, Inc. is a 501(c)(6) non-profit organization, led by a volunteer board of directors representing private, public, technology, and non-profit sectors from our industry.

Since its grassroots beginnings in 1990, RFT has focused on waste reduction, recycling, composting, and buying recycled content materials. For more than 25 years, we have provided open forums where environmental professionals could network and educate each other on best practices, shared resources, and provide a means of communication with like-minded individuals. **Our motto is: Recycle Florida Today for a Sustainable Tomorrow!**

YOUR SUPPORT

Our member-driven organization needs your support as the state recycling organization (SRO) focusing on waste reduction, recycling, and composting. Our members and sponsors provide the funds that help foster and grow Florida's recycling industry. With your help, RFT is fiscally sound and stays on the cutting edge in this ever-changing industry.

Our Sponsors. Thanks to the support of our sponsors, RFT has become Florida's leading association for providing recycling news, education, and networking opportunities. We have developed benefit packages, at several sponsorship levels, where the value far outpaces the investment. Sponsors receive memberships, conference registrations, booth space (special levels), recognition on our website and in newsletters (that reach thousands every year), excellent networking opportunities, recognition at our functions and much more.

Becoming a sponsor provides real, tangible benefits for members that not only help to promote recycling in Florida, but also help to give profits back to you.

Contact RFT at info@recyclefloridatoday.org, (850) 907-1278, or visit <http://recyclefloridatoday.org/become-an-annual-sponsor/> to receive more information.
