

Recycle Florida Today Environmental Sustainability Award (R.F.T.E.S.)

Thank you for submitting for a R.F.T.E.S. We are in receipt of your entry and initial application.
*Submissions will not be reviewed until all entry fee(s) are paid in full.

Purpose of the R.F.T.E.S. is to recognize those with outstanding programs in the business of recycling. The R.F.T.E.S. award display outstanding programs and/or businesses in the field of recycling and environmental sustainability. Pursuing significantly increased awareness and the ability motivate others to maximize their recycling, composting, grass-roots efforts, waste reduction, sustainability efforts and improving their recycling rates through education, outreach and by example. Environmental Steward of the Year, in addition, displays exemplary practices in green business within their facilities, as well as, serves as an industry model of commitment in the business of recycling and environmental sustainability.
