FOR A SUSTAINABLE TOMORROW<sup>SM</sup>

## Benefits of Recycling!

Source - <https://www.epa.gov/recycle/recycling-basics>

Recycling reduces the amount of waste sent to landfills and incinerators

Conserves natural resources such as timber, water and minerals

Increases economic security by tapping a domestic source of materials

Prevents pollution by reducing the need to collect new raw materials

Supports American manufacturing and conserves valuable resources

Saves energy

Helps create new well-paying jobs in the recycling and manufacturing industries in the United States

### How can you help?

Recycle right and everywhere you go. At home, work, school, and away. **Check your local county or municipality for acceptable items to properly recycle right.**
