

# We Need Volunteers

## to Help with

# School Recycling!

In partnership with Indian River County, the School District is expanding the recycling program to ten additional schools and we need adult volunteers to help with cafeteria recycling on **January 7-11** from **10:00 am to 1:10 pm**. You will be standing next to the disposal bins and helping students decide which items should go in the recycling and which items should go in the trash.

### Interested?

Fill out the information below and check the box to indicate which day(s) you would be available to volunteer!
